WE ARE AWDiS...

We are the curators of identity. We provide the widest choice of blanks designed specifically for customisation. Our product range is designed to allow for expression of identity, giving our customers the canvas to push and explore the boundaries of creativity.

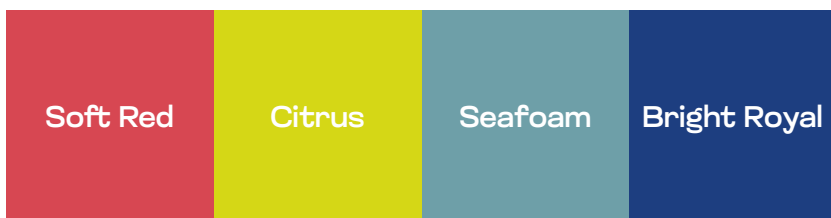

We are colour. We are on the pulse of the latest colour trends to bring them to the market, allowing our customers to create their own brands and identity. We think outside the box and keep things fresh and vibrant by infusing colour into every inch of our fabrics, products, and communications.

We live in colour, style, and printability.
